Dear Players, Coaches, Family and Friends:

On behalf of the Guelph Girls Hockey Association - Welcome to the 13th Annual THUNDERstorm Tournament. This year we welcome 70 teams in 11 divisions to the City of Guelph!

Organizing an event this size requires the efforts of many dedicated volunteers. I would like to thank Jen Pergolas, Paula Taylor, Tracey Ryan, Susan Crane and Michelle Granger-Smith - without your extra efforts this tournament could never be a success. I would also like to thank the GGHA Board Members and the Arena Convenors - all whose names are listed below. Your diligence and time commitment enable the success of our tournament year after year. Thank you very much!!

We would also like to thank the players and parents because it is your passion and dedication to the game of hockey that truly makes our tournament a success.

If you require any information or assistance, our tournament volunteers would be happy to help at any time. Please look for them at the registration desk in each arena.

Good luck to everyone!

# GGHA 2012 Tournament Rules

1. Hockey Canada and OWHA rules shall apply except where listed below.
2. The OWHA minimum suspension guidelines will be strictly enforced according to the OWHA Handbook.
3. The coach or manager must check in at least one hour before the start of their first game (at the arena of their first game) to pick up their information packages and to verify their team rosters. A copy of OWHA team roster must be produced.
4. All teams and players participating in the tournament must be properly registered through the Ontario Women's Hockey Association or their appropriate provincial or national body affiliate.
5. For each pick-up player used in a tournament, a team must present to the registration desk a Pick-up Consent Form, signed by the official contact of her team authorizing her to be a pick-up for this tournament and are to be used only in accordance with the current OWHA rules. Pick-ups are to be registered players only.
6. All players and team staff must sign the game sheet prior to each game.
7. In the event that the tournament is ahead of schedule, teams should be available to play up to 30 minutes prior to the start of their scheduled playing time. They will be notified by tournament organizers if the referees are available for such to occur. As per OWHA rules, teams may not take to the ice without referees present.
8. Each game will be preceded by a three (3) minute warm up, which begins as soon as the ice resurfacing has been completed. Players and teams must be lined up and ready for puck drop at as soon as the three minute warm up ends or risk being penalized for delay of game.
9. If at any time during the last five (5) minutes of the third period there is a goal differential of five (5) or more, the clock will continue running time.
10. There will be no protests. All officiating decisions, whether made on-ice by the referees or off-ice by tournament officials, are final!

## Tournament Format

11. Divisions of 4: Each team will play a 3-game round robin. The first and second place teams will advance to the Division championship.
12. Divisions of 5: Each team will play a 4-game round robin. The first and second place teams will advance to the Division championship.
13. Divisions of 6: Teams will be randomly split into 2 pools of 3 teams each (Pool A and Pool B). Each team will play a 3-game round robin against teams in the other pool. At the end of the round robin, the top 2 teams in each pool will advance to the semi-finals (A1 vs. A2, B1 vs. B2), and the winner of each semi-final game will advance to the Division championship.
14. Divisions of 8: Teams will be randomly split into 2 pools of 4 teams each (Pool A and Pool B). Each team will play a 3-game round robin against teams in their own pool. At the end of the round robin, the top 2 teams in each pool will advance to the semi-finals (A1 vs. B2, B1 vs. A2), and the winner of each semi-final game will advance to the Division championship.

## Round Robin Play

15. All round robin ( and semi final) games will consist of three stop time periods as follows:  
Peewee AA, Bantam AA , Bantam A, Midget AA, Midget A and Midget BB: 12-15-15  
All other divisions: 10-10-12
16. The overall standings in round robin play will be determined by using the traditional 2 point system: 2 points for winning a game, 1 point for tying a game, and 0 points for a loss. Teams advance based on the total number of points accumulated after their three round robin games.
17. In the event of a tie in points between two or more teams at the end of round robin play, the following tie breaking criteria will be used to determine who advances, in descending order down the list until all ties are broken as follows:
  - a) Most games won;
  - b) Winner of the game between tied teams (applicable only in two-way ties);
  - c) Highest goal differential - total goals scored minus total goals against. For the purposes of calculating this subrule, the maximum goal differential in any round robin game will be capped at four (4). (e.g. if Team A has 7 goals and Team B has 2, for the purposes of calculating the goal differential for this subrule, Team A will be allotted 6 goals and Team B will be allotted 2 goals for that particular game);
  - d) Fewest goals against;
  - e) Period points (1 point for each period won and ½ point for each period tied in round robin games);
  - f) Fewest penalty minutes;
  - g) Earliest time of first goal scored in any of the round robin games;
  - h) Flip of a coin.

# GGHA 2011 Tournament Rules (cont'd)

## Semi-final and Championship Games

18. In semi-final games, the team with the highest pool ranking during round robin play will be the Home team and in championship games, the team with the most points during round robin play will be the Home team. In the event of a tie(s), the tie breaking criteria in Rule 16 will be applied to determine the Home team. The Home team must wear their light coloured uniforms and the Visiting team must wear their dark coloured uniforms. If a team has only one set of uniforms then the team with two sets must switch to the non-conflicting colour. If both teams have only one set of uniforms each and they conflict, the Home team must change jerseys.
19. Semi-final period lengths are the same as Round Robin games (as per Rule 15). See Rule #22 for overtime.
20. Championship games will consist of three stop time periods as follows:
  - a) Peewee AA, Bantam AA , Bantam A, Midget AA, Midget A and Midget BB: 15-15-15
  - b) All other divisions: 10-12-12See Rule #22 for overtime.
21. Each team will be allowed one 30-second time out in semi-final games and championship games.
22. Semi-final and championship games will be played until a winner is declared. In the event of a tie at the end of regulation time, sudden death ( meaning overtime periods described in a) and b) below will end as soon as the deciding goal is scored) overtime periods will be played as follows:
  - a) Five minutes of 5-on-5\*; a horn will sound to end the period; and then
  - b) Five minutes of 4-on-4\*; a horn will sound to end the period; then,
  - c) One Round of 'best of three' shootout in groups of three players for the first round and then round(s) of single players thereafter. If still tied after the first round of three, then coaches must then choose one player each for the shootout, and if still tied after, another, and so on, until a winner is declared. Every player dressed except goalies must be used before repeats are allowed. Referees will be asked to write jersey numbers down or send players to the penalty box to ensure there are no repeated shooters.\* "5-on-5" and "4-on-4" means including the goalie. That is, a goalie is not mandatory and a skater may be substituted for a goalie if desired.

Penalties that have not expired by the end of regulation time will carry over into the overtime periods; provided that teams can never drop below four players in overtime: i.e. if there is a penalty during the 3-on-3 overtime period, the non penalized team shall add a player. If a penalty is still being served at the end of the second (3-on-3) overtime, the player serving the penalty may not be in the first group of three players in the shootout.

## Photographs

23. Pedestrians MAY NOT step on the ice (for photos or other purposes) at any time. Team Photos only allowed after a championship game and organizers reserve the right to limit photos due to time constraints or otherwise.
